Payment & Design Terms

BOOKING, DESIGN & PROJECT PAYMENT TERMS

01 COMPLETE INTERIOR DESIGN PROCESS

Designing charges - Rs. 30,000. Design work starts after receipt of the designing charges for a complete interior project.

Design finalisation and material selection. After the design is finalised, if the client wishes to execute the work through HOUZZ MOOD, the next stage is material selection according to the approved design.

Final quotation and booking. The final quotation is issued after material selection. Once accepted, the project follows the booking and payment schedule below.

02 PROJECT PAYMENT SCHEDULE

Booking / advance - 30% or Rs. 50,000. The booking amount is **30% of the accepted order value or Rs. 50,000, whichever is higher**. For complete interior projects, this stage follows design finalisation, material selection and the final quotation.

Production stage - 30%. A further 30% of the project value is payable at the production stage, taking standard cumulative project payment to 60%.

After dispatch - 35%. A further 35% of the project value is payable **after material dispatch**, taking standard cumulative project payment to 95%.

After installation - 5%. The remaining 5% of the project value is payable **after completion of installation**.

Minimum booking adjustment. Where the Rs. 50,000 minimum exceeds 30%, the excess booking payment is credited towards later project instalments. Cumulative targets are 60%, 95% and 100%; total project payments do not exceed the accepted order value.

03 OTHER PAYMENT CONDITIONS

Cancellation and taxes. Advances paid against the project order are non-refundable under the agreed order terms. Quoted prices exclude applicable taxes unless expressly included; GST / taxes are stated separately in the invoice.
